

Ulf Wohlin

Ulf Wohlin is interim responsible for Finance and Controlling at Artifex Systems AB, with responsibility for financial operations across three plants and central functions. He joined IAC in April 2024 as Interim Plant Controller for the Färgelanda facility and transitioned into a regional role in July 2025. With 27 years of experience in senior finance positions, including VP Finance & IT, Finance Director, and Finance Manager, Ulf brings deep expertise in financial leadership, operational control, and team development. He is committed to building strong processes and routines

that ensure high-quality support to internal stakeholders, customers, and suppliers.
