Tata AutoComp Hendrickson Suspension sponsors HD Truck Pune

July 5, 2017

Tata AutoComp Hendrickson Suspension has been confirmed as a co-sponsor of **HD Truck Pune**, which will take place in Pune, India on 28 November 2017. The conference will bring together key stakeholders to network and exchange knowledge with the aim of identifying a roadmap for the future.

About Home Tata AutoComp Hendrickson Suspension

Tata AutoComp Hendrickson Suspension (THSL) is a joint venture between Tata AutoComp Systems Limited (TACO) and Hendrickson Internal Corporation, USA established in June 2006. THSL provides suspension systems solutions for commercial vehicles, and has introduced game-changing solutions such as lift axles suspensions for 8x2, 10x2 variants. THSL is now working to introduce world class rubber suspensions for tandem drive axles.

About HD Truck Pune

Organised by AUTOMOTIVE MEGATRENDS (www.automotivemegatrends.com), **HD Truck Pune** is a one-day conference dedicated to the stakeholders responsible for shaping India's commercial vehicle industry over the next decade and beyond.

Featuring two industry keynotes, two high-level panel discussions, 20+ speakers and over 250 delegates, **HD Truck Pune** will bring together key automotive industry stakeholders to network and discuss the technologies and trends central to the commercial vehicle industry.

HD Truck Pune takes place on 28 November 2017 at the Westin Hotel, Pune, India.

For further details on this event, please contact the event manager, Emma Georgiades: emma@automotivemegatrends.com / +44 (0) 2921 286 515

AUTOMOTIVE MEGATRENDS conferences are designed to connect and inform the stakeholders who are shaping the automotive industry over the next decade and beyond.
