

Mr. Arvind Goel

Non-Executive Vice Chairman

Mr. Goel, with four decades in the automotive industry, exemplifies leadership and expertise in automotive technology. He has played a pivotal role in establishing six joint ventures, securing three technology agreements, acquiring TitanX—a global leader in engine cooling systems—and driving the company towards achieving the prestigious JRDQV and dual Deming Prizes.

Before joining Tata AutoComp, Mr. Goel held leadership positions at Man Trucks, Force Motors and Kirloskar Oil Engines. He is actively engaged in various industry bodies and holds key roles in the Mahratta Chamber of Commerce, Industries and Agriculture (MCCIA), the Western Region Automotive Components Manufacturers Association (ACMA), CII, and the Employers' Federation of India (EFI).

Federation of India (EFI).

Mr. Goel's exceptional contributions to the automotive industry have been acknowledged through a series of prestigious awards. Some of these include "India's Most Inspirational Leader 2020" by White Page International, "Global Indian of the Year 2020-21" by Asia One, "Auto Component Leader of the Year 2021" by Auto Components India Magazine, "Economic Times Inspiring CEO 2021" by The Economic Times, "Leader of the Year - Manufacturing 2022" by the World Auto Forum, "Influential Leaders of India 2024-25" by Republic TV and MarksmenDaily, and "Man of the Year 2025" by CIO Times, among others.
