

Mr. Manoj Kolhatkar

Managing Director & CEO

Manoj Kolhatkar is the Managing Director and CEO of Tata AutoComp, where he focuses on innovation and global expansion to deliver transformative solutions and strengthen the company's presence across diverse industries.

Manoj is from Hyderabad and did his B.E. in Mechanical Engineering from VNIT Nagpur and a Diploma in Business Management from Pune University.

His career began at Tata Motors in 1989 as a Graduate Engineer Trainee. He then held various roles across multiple departments like Manufacturing, Material Pricing and Vendor Development.

Manoj then moved to Tata AutoComp's Interiors & Plastics Division as the CEO in 2006 and then served as the CEO of Tata Yazaki upto 2011.

Before re-joining Tata AutoComp in Dec'24, Manoj was associated with the ANAND Group, where he served as Managing Director of their flagship listed entity Gabriel India and later as Group Co-COO, overseeing critical corporate functions and leading multiple joint ventures for a period of 13 years. He has also held several positions in ACMA as an Executive Committee member.
